

# Tender Addendum

**Addendum No. 1:** Supply and Mixing of Winter Sand

DATE: 18 March 2020

CONTRACT: # 2020-02

OWNER: Township of Adjala-Tosorontio

***This addendum is to be read with and constitutes part of the Contract Documents.***

---

## 1. CLARIFICATIONS AND RESPONSE TO PLAN TAKER QUESTIONS

Q: Is the Township supplying the salt for the contractor to blend with the sand?

**A: Yes, the Township is supplying the salt.**

Q: What is the ratio of the salt to be blended in with the sand?

**A: The salt content should be 6-8%.**

Q: Is the contractor able to be compensated if the salt mixture exceeds the normal 5-10% salt to sand ratio?

**A: No. It is the contractor's responsibility to ensure the mix ratio is met.**

Q: Can the salt be mixed/blended on the ground with a loader and then piled by a stacker (therefore not requiring a pug mill for blending)?

**A: This would be acceptable provided that a homogenous mixture is produced.**

END OF ADDENDUM #1

ATTACHMENTS: None.
