In order to protect residents, visitors, properties, businesses, critical infrastructure and economic stability, the Township of Adjala-Tosorontio possesses a detailed emergency response plan designed to mitigate the damages created by an emergency. ODRAP is intended to alleviate the hardship suffered by private homeowners, farmers, small business enterprises and non-profit organizations, whose essential property has been damaged in an unexpected natural disaster. ODRAP provides funds to those who have sustained heavy losses for essential items such as shelter and the necessities of life. ODRAP does not provide full cost recovery for all damages resulting from a disaster; it only helps eligible recipients restore essential furnishings and property to pre-disaster condition.

ODRAP provides assistance when damages are so extensive that they exceed the financial resources of the affected individuals, the municipality and the community at large. This program does not cover damages of privately-owned, non-essential property, nor to essential property where private insurance is normally available.

If the disaster is of such size and extent that damages are widespread, similar to that experienced during the 1998 Eastern Ontario ice storm, the Province of Ontario in conjunction with the Federal Government, may initiate the Disaster Financial Assistance Arrangements (DFAA).

The Minister of Municipal Affairs and Housing is authorized to declare a disaster area for the purpose of the ODRAP program. The Council, when asking for assistance under the ODRAP program, must adopt a resolution outlining the following:

- i. The Township's request for disaster assistance and declaration
- ii. Whether all or a specified portion of the Township is to be declared a "disaster area"

The Province will contribute up to \$2.00 for every local dollar raised by fundraising, to an amount necessary to settle all the eligible claims, up to 90 percent of all eligible costs.

The Township of Adjala-Tosorontio property damaged by natural disasters may also be eligible for financial assistance under ODRAP.
