 By-law 09-28, September 21, 2009

THE CORPORATION OF THE TOWNSHIP OF ADJALA-TOSORONTIO

BY-LAW 05 - 63

A BY-LAW TO ESTABLISH AND FIX THE RATES OR CHARGES FOR SUPPLYING WATER TO USERS FROM THE MUNICIPAL WATER WORKS SYSTEMS AND TO ESTABLISH PROCEDURES FOR THE COLLECTION OF WATER ACCOUNTS

Municipal Water Rates By-law

WHEREAS the Municipal Act, Statutes of Ontario, 2001, Part XII, Fees and Charges, as amended, provides that a Municipality may pass By-laws imposing fees or charges on any class of persons for services or activities provided or done by or on behalf of it;

AND WHEREAS the Public Utilities Act, Revised Statutes of Ontario, 1990, Chapter P.52, section 8, as amended, allows a Municipality to regulate the distribution and use of water and to fix prices for the use thereof and the times of payment;

AND WHEREAS the Corporation of the Township of Adjala-Tosorontio deems it necessary and desirable to establish water rates for the purpose of maintaining and servicing the Municipal Water Works Systems and to establish procedures for the collection of water accounts;

NOW THEREFORE the Council of the Corporation of the Township of Adjala-Tosorontio enacts as follows:

1. BILLING

- (a) **THAT** the water rates shall be billed on four (4) billings per year for the Water Works Systems due on a date to be determined by the Treasurer for all Water Works Systems in the Municipality;
- (b) **THAT** should a water payment not be received by the due date, the Township shall charge a penalty of five per cent (5%) on accounts not paid by the due date;
- (c) **THAT** the assessed owner be billed for the water supplied and that the assessed owner is responsible for payment of the bill;

2. RATES

- (a) **THAT** where a water meter has been installed the water rate for each and every cubic metre of water supplied shall be in accordance with the following table:

Metered Billing Rates

	Rate
January 1, 2010 – December 31, 2010	\$2.30
January 1, 2011 – December 31, 2011	\$2.91
January 1, 2012 – December 31, 2012	\$3.42
January 1, 2013 – December 31, 2013	\$3.96
January 1, 2014 – December 31, 2014	\$4.54

(By-law No. 09-28)

- (b) **THAT** where a water meter has been installed a fixed rate of \$20.00 shall be billed on a quarterly bases in addition to 2(a);
(By-law No. 09-28)
- (c) **THAT** buildings with multiple unit dwellings without water meters shall be charged the rate charged for a single residential dwelling unit multiplied by the number of dwelling units in the building;
- (d) **THAT** any school which does not have a meter shall be charged in accordance with the following formula:

Current School Population X Current Rate per Cu. M X Rate of
0.08 Cu. M per Student X # of School Days per Year

3. WATER METERS

- (a) **THAT** where water meters have been installed, the consumption of water as indicated by the water meter for that billing period shall be taken into account, the water rate to be charged;
- (b) **THAT** the water meter and its components remain the property of the Township. All other components i.e. service lines, piping, building system plumbing, and/or valves connected before or after the meter from the property line into the building must be approved by the Municipality prior to installation and will remain the property of the owner;
- (c) **THAT** the registered owner of the property shall maintain easy access to the meter and its components for replacement, repair or inspection as required;
- (d) **THAT** where an installed water meter or any of its components has been found inoperative, unavailable or inaccessible at the time of the meter reading, due notice shall be given to the registered owner to provide the Township with the actual meter reading within one week and to have the meter and its components repaired and inspected by the Municipality within one month from the date of notice;
- (e) **THAT** upon inspection the water meter seal is proven to be broken or tampered with and a search of water consumption history proves that there has been a deviation in usage, the owner is subject to a fine under section 9 of this By-law;
- (f) **THAT** if any water meter or water system component repairs are necessary due to negligence or fault of the resident, the cost of repairs or replacement of the water meter or water system component shall be recoverable against the registered owner;
- (g) **THAT** failure to have the meter and/or its components repaired and inspected within one month from notice shall cause the monthly rate to be \$250.00 per month or fraction thereof for each and every month from the date of notice until the meter is repaired and inspected;
- (g) **THAT** failure to have the meter and its components accessible for repair, replacement or inspection shall be deemed to be failure to have the meter repaired;
- (h) **THAT** where a dispute arises as to the accuracy of the meter reading, the Township may, at the request of the registered

owner of the property, remove and test the water meter for calibration to verify the meter's accuracy at the expense of the registered owner. If the meter's accuracy is found to be greater than +/- ten per cent (10%), the meter will be replaced, the cost to test the meter will be paid for by the Township and correction made to the account of the registered owner for that billing period only;

- (i) **THAT** a residential inspection shall be required if the water consumption reading is less than thirty (30) cubic meters per billing period;
- (j) **THAT** failure to arrange a residential inspection within fifteen (15) days from notice shall cause the monthly rate to be \$250.00 per month or fraction thereof for each and every month from the date of notice until an inspection has been completed;
- (k) **THAT** the registered owner shall be responsible for payment of the water rate charged until the test results are received for the water meter calibration;
- (l) **THAT** multiple unit buildings shall be served by only one water meter for the purposes of billing by the Township;
- (m) **THAT** all new connections to municipal water supplies be connected with water meters;
- (n) **THAT** no water service shall be disconnected without the prior approval of the Municipality;
- (o) **THAT** no water meter shall be removed, bypassed or rendered inoperable save and except for the repair and/or testing of the water meter by the Township;
- (p) **THAT** no water meter seal shall be removed and/or tampered with save and except for the repair and/or replacement of the seal and/or meter by the Township;
- (q) **THAT** the Township shall make provisions to supply and install a water meter at the expense of the Township in any residence currently not served by a water meter at the registered owner's request;

4. **FIRE HYDRANTS**

- (a) **THAT** no person other than a person authorized by the Township of Adjala-Tosorontio shall be permitted to open or otherwise interfere with or operate or take water from any fire hydrant;

5. **CROSS CONNECTIONS**

- (a) **THAT** no person shall connect, cause to be connected or allow to remain connected to the waterworks distribution system or home plumbing system any piping, fixture, container or appliance in a manner which under any circumstances may allow water, waste water, non potable water or any other liquid, chemical or substance to enter the water works distribution system and that every home served by Municipal water supply be served by no other supply of water without the consent of the municipality;

6. NEW CONNECTIONS
