\$55,900 OTF GRANT GIVES NEW PLAYGROUND EQUIPMENT IN ROSEMONT PARK

The Township of Adjala-Tosoronto is pleased to announce that new playground equipment, made possible through the Ontario Trillium Foundation, has been installed at Rosemont Park.

By supporting unstructured physical activities for children, the new and improved playground equipment will foster more active lifestyles in the community.

Thanks to the \$55,900 from the Ontario Trillium Foundation, the Township was able to replace the aging, but well-loved, existing play structure and swing set with new, higher quality playground equipment meeting the current standards.

The Ontario Trillium Foundation (OTF) is an agency of the Government of Ontario, and one of Canada's leading granting foundations. OTF awarded more than \$120 million to some 700 projects last year to build healthy and vibrant communities in Ontario.
