TOWNSHIP OF ADJALA-TOSORONTIO PRESENTATION PROTOCOL

The purpose of the presentation process is to allow residents to make their views known to Council. Council values and welcomes input, comments and constructive suggestions. Since Council generally has to consider a large number of issues and concerns at any given time, the following protocol is observed.

1. In accordance with the Township of Adjala-Tosorontio Procedural By-law #16-19 Council shall hear presentations for information purposes only and the time limits for presentations shall be set by the Clerk in consultation with the Mayor.
2. When a number of people are to appear representing one viewpoint or interest group, it is expected that the group be represented by a spokesperson, and/or submit written submissions.
3. When called upon by the Mayor, the presenter should proceed immediately to the podium or table in the Council Chambers.
4. Presenters are asked to keep their remarks as brief as reasonably possible. Comments when stated in a clear, concise and factual manner are very much appreciated.
5. In order to reduce the possibility of any misunderstanding and to facilitate necessary follow-up, the Clerk shall be provided with a written copy of the presentation, which will become part of the official corporate records. If you intend to read from a prepared text, a copy of this text must be filed with the Clerk with your original request to appear for a presentation. If additional information is to be provided at the meeting, 21 copies shall be supplied to the Clerk prior to the meeting start time for circulation.
6. Discussion topics, other than the subject matter of the written request to appear as a presentation, will not be permitted. Further, subsequent presentations on the same topic, without significant new information, will not be permitted.
7. Council may refuse to hear a presentation or part of a presentation, when in the opinion of Council, the subject of the presentation is beyond the jurisdiction of the Township. No person will be permitted to address Council with respect to management disputes, nor will correspondence respecting such disputes be listed on the agenda.
8. Upon completion of remarks, the presenter should remain in position to allow for any questions from Council members. Council members may ask questions for clarification purposes. Statements from Council members or debate on the issue are generally not permitted at this stage. After completion of any questions, the speaker will be asked to be seated. A motion will be considered by Council to receive the presentation as information.
9. Where an application has been made under the Planning Act or any other Act which provides a process for public input, a direct presentation outside that process shall not be permitted to Council.
10. Whenever a presentation offers comments or statements that are deemed to be inaccurate and unsubstantiated, any Member may be recognized by the Chair on a "Point of Order" whereby the Member or Staff so recognized by the Chair may bring necessary corrections or clarifications to the comments or statements said in the presentation.
