

DATE: Thursday November 8, 2018

Notice of Resolution for Precautionary Boil Water Advisory - Drinking Water

All users of this drinking water system:

Loretto/Weca

The drinking water supply is safe for all uses.

A warning notice under Ontario's Drinking Water Systems Regulation (O. Reg 170/03) was issued on: November 5, 2018

The Public Health Unit has issued instructions to lift/rescind the Precautionary Boil Water Advisory as of: November 8, 2018

The necessary operational corrective actions were completed and bacteriological water quality test results have confirmed that the drinking water supply is in compliance with Ontario Regulations and Water Quality Standards.

For more information, please contact:

Ontario Clean Water Agency
1-705-429-2525 or 1-866-775-7712

- If you have not been using the water during the Advisory, please run the cold water taps for at least one minute before use.
- For additional precautionary measures, run water softeners through a regeneration cycle and empty and refill hot water tanks/heaters.
- Residents are encouraged to communicate with neighbours and check on any isolated and/or vulnerable individuals.
