ASSESSMENT INFORMATION

The Municipal Property Assessment Corporation (MPAC) is responsible for assessing and classifying all properties within the Township.

MPAC updates property values every four years. Property assessment notices were last mailed in 2016 and serve as the basis for calculating property taxes for 2017-2020.

Five factors account for 85% of your home's value including: location; living area; age of property; lot dimensions; and quality of construction.

To learn more about how your property was assessed, visit www.aboutmyproperty.ca

If you disagree with the value or classification, you have the option to file a Request for Reconsideration (RfR). The deadline to submit an RfR should be confirmed with MPAC.
