OUTLINE OF THE OFFICIAL PLAN AMENDMENT REVIEW AND APPROVAL PROCESS

The following is a brief description of the process which provides information on how to ensure that the application is reviewed as efficiently as possible:

Step 1 Application Pre-consultation

All applicants **MUST** arrange a pre-consultation meeting with the Planning Department. Pre-consultation assists the applicant in making the appropriate submission. During the pre-consultation meeting, applicants will be provided with relevant information regarding the proposal including the policies and requirements of the Township and how they may impact the proposal. Applicants will also be advised of related approvals, and other agencies that could be consulted with to obtain further information.

Step 2 Submission of Application and Initial Review

Applications will not be officially accepted until they are deemed complete. When an application has been submitted, it will then be reviewed to ensure that it is complete and that all relevant information and fees have been submitted. The application must be accompanied by all information as prescribed in this application. The Planning Department may require that the plan be signed by an Ontario Land Surveyor. If the subject property has joint ownership, signatures of all joint owners, are required on the application.

Step 3 Comprehensive Review

Following the initial review, and on the determination that the application is complete and accurate, a comprehensive review will take place. At this time the application will be reviewed by all relevant municipal departments and may also be reviewed by the Township's solicitor. During this process the application will also be circulated to other review agencies as applicable such as the Nottawasaga Valley Conservation Authority, the County of Simcoe, Provincial Ministries, etc. As this process takes place, applicants may be advised of additional submission requirements to address any issues which may arise.

The comprehensive review process also includes public input. Information concerning the application will be circulated by mail to adjacent property owners and interest groups and the applicant will be required to post a sign on the property. Sign guidelines are attached to this application. It is the responsibility of the applicant to ensure that all signs are posted in accordance with the instructions attached to this application, and that the signs stay in place for the required posting period. Failure to do so will require that this process be repeated resulting in unnecessary delays to the processing of the application.

Step 4 Public Meeting/Council Meeting

Following the comprehensive review, the Planning Department will prepare a public meeting report detailing the application. The public meeting is the opportunity for anyone to voice their support or objection to the application. Following the public meeting, the application is usually referred back to staff for further consideration, and to address any comments made at the public meeting. The applicant may also be required to submit further information as a result of the discussion regarding the application.

Following the public meeting, a second report will be prepared by the Planning Department addressing all comments received as well as Township concerns. The Planning Department then makes a recommendation to adopt, refuse or defer the application. The Council makes the decision which is then approved by County Council. It is advised that the applicant be present at the meeting to answer any questions of Council or the public.

Step 5 Approval by the County of Simcoe

If the Official Plan Amendment is adopted by the Township, the application is then forwarded to the County of Simcoe for approval.

Decisions regarding Official Plan amendments are subject to an appeal period of 20 days during which an appeal may be filed by applicants, agencies, interest groups and/or the public to the Ontario Land Tribunal. If a decision is appealed, you will be contacted to discuss the appeal and its implications on the proposal.
