EXPLANATION OF THE PURPOSE AND EFFECT OF THE PROPOSED CONCURRENT CONSENTS B/01/23 & B/02/23 (Vander Zaag)

Applications have been made under file numbers B/01/23 & B/02/23 for consents to reconfigure three existing lots on Pt Lot 21, Concession 4, Geographic Township of Adjala, Township of Adjala-Tosorontio (8386 & 8292 20th Sideroad). The Owner is proposing to merge the two existing large farm parcels together and reconfigure the lot lines to establish a 0.85 hectare residential parcel at the southeast corner of the 20th Sideroad and Concession Road 5. The second boundary line adjustment would reconfigure the existing 2 hectare residential lot and existing agricultural parcel to relocate the residential lot to the southeast corner and reduce the lot area to 0.77 hectares. The large resulting agricultural parcel would be sterilized to prohibit residential uses in the future.
