

Covid-19 Procedures & Protocols for Vendors 2021

- Stall spaces have been re-configured to ensure shoppers have space to purchase products safely (min. 6 ft) spacing.
- Capacity of the market will be monitored by the Farmers market staff, who will count the people entering and exiting the market. With a maximum number of people in the market.
- We will have a specific entrance and exit areas (marked with signage) and we will mark off 6 ft intervals for people to stand safely while waiting to enter the market.
- We will have one way movement around the vendor stalls (marked with arrows on the ground)
- We will post the COVID-19 Fact sheet, and copies will be given to all vendors (see attached)
- The names of all vendors / staff will be recorded by the market staff.
- **DO NOT ATTEND** the market if you are unwell, or have been in contact with someone who is unwell.
- Hand sanitizer stations will be available at the entrance and exit of the market.
- There is **NO** food sampling.
- Vendors must pre-package and box products to reduce contact.
- There are no communal tables.
- There is no use of reusable containers by the vendor or customer supplied containers at this time. Reusable bags are allowed.
- Vendors are expected to wash hands regularly and thoroughly for a minimum of 20 seconds with soap and water or an alcohol-based hand sanitizer. Avoid touching eyes, nose and mouth areas.
- Vendors must clean and sanitize frequently-touched market stand surfaces regularly with household cleaners or a diluted bleach solution of 1 part bleach to 9 parts water.
- Vendors must maintain social distancing practices (6 feet) away from others.
- Must cover mouth and nose with bent elbow or tissue if coughing or sneezing occurs.
