Subject Title: **VOLUNTEER OUTDOOR ICE RINK POLICY**

Date Approved By Council: December 5, 2011

Motion No: 11-154

---

## **PREAMBLE**

It is the aim of the Township of Adjala – Tosorontio (“Township”), to allow a Volunteer Neighbourhood Group(s) (“VNG”) the opportunity through the direction of the Adjala – Tosorontio Outdoor Rink Committee to install, maintain and operate outdoor ice rink(s) on Township land at designated locations approved by the Township.

## **POLICY**

### **Facility Maintenance and Operations**

1. The Township will permit a VNG which consists of a group of Township trained/approved volunteers and a Volunteer Co-ordinator to install, maintain and operate outdoor ice rink(s) on Township land at designated locations approved by the Township. The Volunteer Co-ordinator shall enter into the required agreement with the Township by signing the Volunteer Co-ordinator Agreement and all other volunteers will be required to sign the Volunteer Agreement.
2. The location and the size of the rink must be approved by the Township prior to its installation.
3. The Township will permit access into the site, and provide picnic tables and waste receptacles, as required.
4. The VNG shall appoint a Volunteer Co-ordinator to act as liaison with the Township of Adjala – Tosorontio. The Volunteer Co-ordinator shall be responsible for following and enforcing all guidelines and directions as provided by the Township against the Volunteers. The Volunteer Co-ordinator is responsible for ensuring that the ice surface is inspected a minimum of twice daily and more frequently when weather conditions fluctuate in order to determine if the ice is suitable for skating. The Volunteer Co-ordinator is also responsible for recording the information required on the Outdoor Ice Rink Site Checklist provided by the Township and shall be submitted for the preceding week to the Public Works department on Monday of every week. The Volunteer Co-ordinator shall also report all known accidents

which occur or arise as a result of the operation of the ice rink to the Public Works department.

5. The Volunteers and Volunteer Co-ordinator shall maintain the ice rink by flooding the ice in cooperation with the Adjala – Tosorontio Fire Department and provide snow and waste removal as required with the assistance of the Public Works department when possible. The volunteer Co-coordinator shall co-ordinate flooding of the rink.
6. Insufficient ice covering will allow skate blades to break through the ice and cause either injury to the skater or damage to the base. When creating an ice rink, the ice should be thick enough to ensure that a skate blade will not come into contact with the base of the ice rink.
7. Any holes, cracks, chips or shell ice should be repaired as soon as possible by the Volunteer or Volunteer Co-ordinator after becoming aware of the issue and noted on the Rink Site Checklist.
8. The Volunteer Co-ordinator shall install an “Outdoor Rink – Closed” sign, as provided by the Township, when the Volunteer Co-ordinator deems the ice is unsafe to skate on.
9. All Volunteers and Volunteer Co-ordinator shall supply at their own expense and wear appropriate protective clothing when inspecting, flooding or removing snow on the ice surface. In addition, there shall be a minimum of two Volunteers together when inspecting, flooding or removing snow from the ice to ensure assistance is available should it be required.
10. The Volunteer Co-ordinator shall attend a training session on the Volunteer Outdoor Ice Rink Policy and shall abide by all practices and procedures recommended at the training session.
11. The Volunteer Co-ordinator shall be responsible for ensuring that the Volunteers have been properly trained on the Volunteer Outdoor Ice Rink Policy and that they abide by all the practices and procedures recommended at the training session.
12. Volunteers and the Volunteer Co-ordinator are responsible for providing shovels at their own expense and shall shovel and remove snow from the skating surface(s) and around benches and undertake any hand shoveling required to allow access to the rink(s).
13. The ice rinks shall be open to use by all members of the community, during normal park hours and it is strongly recommend that adult supervision be provided when the ice rink is in use. All persons under the age of thirteen shall be supervised by an adult.
14. No objects such as nets, boards or lights shall be installed in the park or ice surface unless prior approval from the Township has been received.
15. The Township reserves the right to close the ice rink to use at any time, or if required remove the ice rink as it deems to be necessary. The decision of the Township shall be final.
16. The Volunteer Co-ordinator with the assistance of the Township as deemed necessary shall ensure the rink area is restored to the conditions that pre-existed

the installation of the rink. All garbage/litter, equipment and materials must be cleaned up/removed by April 1<sup>st</sup> or as directed by the Township.
